Draft Agenda

WORKSHOP ON MARINE LITTER THE ROLE OF SCIENCE AND INNOVATION FOR HEALTHY OCEANS

10 April 2018, Brussels (Belgium)

Venue: CPMR, 8th Floor, 14 Rond-Point Schuman, 1040 Brussels

This meeting is the second step in the CPMR's work on marine litter after a first meeting held on 31 January 2018. This meeting (see [agenda](#)) aimed at discussing possible initiatives that the CPMR could take following the publication of the communication "A European Strategy for Plastics in a Circular Economy".

This meeting aims at pursuing our work based on the conclusions of this first discussion.
